Average and an exile, representing an abstract principle and an exile, representing an abstract princi

That a great deal of this false enthusias m has minged with the preparations to do honor to Kossuth, and the public demonstrations on his arrival, is not to be denied.

It is to be seen in the avidity with which it was attempted at the moment of his arrival to seize upon him, and to draw him forth into public acknowledgments and avowals before he had had an honor rest from the fatigues of his voyage, or had become able to steady himself on land, after being whith and the holiness of the cause to which month.
